Certificate Course in Waste Management

Academic Year -2018-19

Duration: 30 Lectures

About College

Founder members of Navnirman Shikshan Sanstha had a great awareness for education which led them to establish College of Arts, Commerce and Science (Computer), later renamed as Laxmibai Sitaram Halbe College of Arts, Commerce and Science, at Dodamarg on 6th August 2001.

Dodamarg was separated from Sawantwadi tehsil in June 1999 and became the youngest tehsil of Sindhudurg district. Having 52 small villages in its jurisdiction, it locates in the lap of the Sahyadri Mountain range and comes exactly on the borders of Maharashtra, Goa and Karnataka states. Since the establishment, the college has been continuously providing higher education to the youth of Dodamarg tehsil as well as nearby villages of Goa State. Formerly, students had to travel more than 50 kms to reach Sawantwadi and Banda for degree education but this institution has lessened their sufferings and brought higher education at their doorstep.

The college is relentlessly striving in pursuance of academic excellence and encouraging learners to participate spontaneously in various co-curricular and extracurricular activities. It has well qualified and research oriented teaching staff as well as supportive and efficient non-teaching staff which constantly endeavor for the betterment of the students and ultimately of the institution. Besides academic education, the college finds its responsibility towards community, women's empowerment, socio-economically backward class, environment consciousness, national harmony etc. and constantly addresses them through several co-curricular and extracurricular activities. We are persistently trying to kindle young minds with sublime ideas, accountability, virtuousness, curiosity, and social as well as ethical values.

Importance of the Certificate Course

Garbage has been generated since time immemorial. But the problem of waste has become so terrible. But from the last 25-30 years, a big problem of waste has arisen everywhere in the world. Previously, there was natural waste. They were easily destroyed in nature. There were cows, buffaloes, goats, sheep, goats, chickens and man-made waste. They were used for agriculture and horticulture. They were easily destroyed. No element of nature was bothered by it. But from the last few years, the amount of plastic waste, e-waste has increased tremendously. Its disposal has become difficult. Due to this, many systems have become weak or even. So many organizations are working on this issue. The problem of this waste is being faced from the city to the village. How to manage the waste generated due to it. What care should be taken so that there is no waste generation in our homes, villages, schools, colleges, public places, waste will not be generated. To take care of this, students were guided by taking the topic of waste management to many students realized the importance of waste elimination. 32 students participated in this course. Completed of the Course

OBJECTIVES OF THE STUDY OF WASTE MANAGEMENT

- 1) Knowing what is waste
- 2) Finding the source of waste generation
- 3) To know the side effects of waste and suggest solutions
- 4) To find out whether sustainable products can be made from disposable waste
- 5) Minimizing and helping to solve waste problems
- 6) Disposal of waste using modern technology

Certificate Course in Surveying

Academic Year -2019-20

Duration: 30 Lectures

About College

Founder members of Navnirman Shikshan Sanstha had a great awareness for education which led them to establish College of Arts, Commerce and Science (Computer), later renamed as Laxmibai Sitaram Halbe College of Arts, Commerce and Science, at Dodamarg on 6th August 2001.

Dodamarg was separated from Sawantwadi tehsil in June 1999 and became the youngest tehsil of Sindhudurg district. Having 52 small villages in its jurisdiction, it locates in the lap of the Sahyadri Mountain range and comes exactly on the borders of Maharashtra, Goa and Karnataka states. Since the establishment, the college has been continuously providing higher education to the youth of Dodamarg tehsil as well as nearby villages of Goa State. Formerly, students had to travel more than 50 kms to reach Sawantwadi and Banda for degree education but this institution has lessened their sufferings and brought higher education at their doorstep.

The college is relentlessly striving in pursuance of academic excellence and encouraging learners to participate spontaneously in various co-curricular and extracurricular activities. It has well qualified and research oriented teaching staff as well as supportive and efficient non-teaching staff which constantly endeavor for the betterment of the students and ultimately of the institution. Besides academic education, the college finds its responsibility towards community, women's empowerment, socio-economically backward class, environment consciousness, national harmony etc. and constantly addresses them through several co-curricular and extracurricular activities. We are persistently trying to kindle young minds with sublime ideas, accountability, virtuousness, curiosity, and social as well as ethical values.

About Course

Dodamarg taluka is far away from the development process. There is a lack of resources and financial constraints. Students should have skill development education after graduation. He should have a good career in it. To get employment for their hands, Survey had started this certificate course. In fact earlier there was tape, chain, board survey, survey by measuring steps, but now there have been many changes. New techniques like GIS, GPS have emerged. Students should know this technique. This course was chosen to enable them to conduct surveys. Today, surveys are being done by private surveyors in many places. If the students acquire skills in this, if more surveys are done, the hands of these students can get employment in rural areas as well. This course was chosen for this purpose

ABOUT COURSE:

Developing grammar skills is a sure way with the help of which learner can present himself/herself as more professional, polished and poised for job success. Basic English Grammar Course will help students to grasp the basics and beyond in the English language. It will also assist learners to learn the rules and guidelines required to master the English language and to communicate flawlessly. The course intends to help learners to form English sentences correctly on their own. It proposes to facilitate learners to improve communication skills in both spoken and written form.

OBJECTIVES:

1. To enable learners to strengthen their basic English grammar knowledge.
2. To make learners revise and reinforce the basic structures in English grammar in order to build a strong foundation.
3. To enable learners to recognize and understand the meaning of targeted grammatical structures in written and spoken form.
4. To train learners to use the language with confidence and without committing errors.

LEARNING OUTCOMES:

1. Know the differences between word classes and their forms.
2. Be comfortable with forming sentences with the correct verb tenses.
3. Identify the structures and types of Clauses.
4. Understand the mechanics of a sentence.
5. Use punctuation correctly.
6. Avoid common spelling errors.
7. Use targeted grammatical structures meaningfully and appropriately in oral and written communication.

Certificate Course in Basic English Grammar

Preamble:

The knowledge of English grammar is very essential for communicating efficiently in any academic or professional setting. It makes communication easier, clearer and more efficient. Alongside this, it also prepares the person for additional jobs like proofreader, blog writer, book editor, teacher, publisher, website developer, freelance writer etc. Developing grammar skills is a sure way with the help of which learner can present himself/herself as more professional, polished and poised for job success. Basic English Grammar Course will help students to grasp the basics and beyond in the English language. It will also assist learners to learn the rules and guidelines required to master the English language and to communicate flawlessly. The course intends to help learners to form English sentences correctly on their own. It proposes to facilitate learners to improve communication skills in both spoken and written form.

Necessity of the course:

The basic knowledge of grammar rules is essential for communicating efficiently in any language and English is not an exception to this. When we use correct English grammar, communication becomes easier, clearer and more efficient. The flawless communication in English language is an important asset in today's age of globalization. Knowledge of grammar and understanding of its basic structure helps the learner to improve his/her speaking, listening, reading and writing skills.

Objectives:

1. To enable learners to strengthen their basic English grammar knowledge.
2. To make learners revise and reinforce the basic structures in English grammar in order to build a strong foundation.
3. To enable learners to recognize and understand the meaning of targeted grammatical structures in written and spoken form.
4. To train learners to use the language with confidence and without committing errors.

Learning Outcomes:

By successfully completing this course, the learner will be able to:

1. Know the differences between word classes and their forms.
2. Be comfortable with forming sentences with the correct verb tenses.
3. Identify the structures and types of Clauses.
4. Understand the mechanics of a sentence.
5. Use punctuation correctly.
6. Avoid common spelling errors.
7. Use targeted grammatical structures meaningfully and appropriately in oral and written communication.
