Integration of ICT in education has become the need of the hour. The college strongly believes in combining modern technologies with traditional mode of instruction so as to encourage the all - round growth of the students. College uses Information and Communication Technology aid to enhance and optimize the delivery of content. Faculty members use ICT tools such as Computers, laptop, projectors etc. in the teaching learning process. Faculty members has adopted blended learning platform such as Google Meet, goole classroom, zoom for conducting online classes. These platforms are used to deliver content, syllabus, course materials etc. During the COVID- 19 pandemic faculty members conducted online quiz using google forms. The college library has subscribed N-List e-resources for the benefits of students and faculty members. Beside this open source resources are made available at the college library website.
