National Seminar on NITI Commission and Development of Indian Economy held on 19th and 20th January 2018.

The two day national seminar (interdisciplinary), sponsored by Indian Council of Social Science Research (ICSSR), Western Regional Centre, Mumbai, was organized by the Department of Economics of Navnirman Shikshan Sanstha's Laxmibai Sitaram College of Arts, Commerce and Science, Dodamarg on "NITI Commission and Development of Indian Economy " on 19th and 20th January 2018.

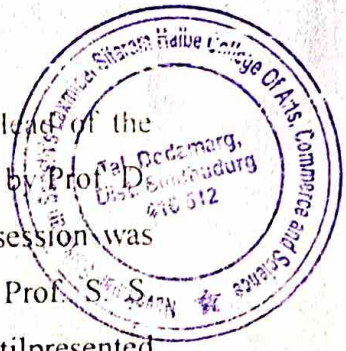

The said seminar was inaugurated in the gracious presence of Hon. Adv. RamakantKhalap, Former Law Minister of India and Former Deputy Chief Minister of Goa. On this occasion members of the Governing Body of the Institution, members of College Development Committee, Principal, and Convenors of the seminars were present on the stage. As Adv. Khalap was himself then deputy chairman of Planning Board of Government of Goa, he explained the functions of Planning Commission and necessity of NITI Commission in his scholarly inaugural speech. He concluded his speech with the statement that "The Future of NITI Commission entirely depends on the effective implementation of the economic policies by the Government".

Prof. Dr. Anil Padoshi, Former Head and Professor, Department of Economics, University of Goa delivered the Keynote address in which he threw light on the history of Planning Commission alongwith brief description of 12 five year plans given by Planning Commission. In the first session namely "NITI Commission and the Role of Government" Dr. Padoshi was the resource person. In his address, his focus was on how economic policies are location specific. He proclaimed Government needs to consider the economic, social and geographical situations of the locations and formulate economic plans accordingly. This session was chaired by Dr. AnantLokhande, Assistant Professor, SantRawoolMaharaj College, Kudal while Prof. Sopan N. Jadhav, co-convenor of the seminar, was co-chairperson of the session.

For the second session namely "The Function and Importance of NITI Commission in Indian Economy" Dr. Vijay Kakade, Professor and former Head, Department of Economics, Shivaji University, Kolhapur was the resource person. In his speech he explained policy making is time specific, hence, if the nation is on the threshold of transformation in national and international scenario, the Government has to make necessary changes in its working policy. The formulation of NITI Commission (Aayog) while dismantling the Planning Commission,

is the result of this change. This session was chaired by Dr. Balaji Survase, Head of the Economics Department, Arts and Commerce College, Phondaghat and co-chaired by Prof. Y. Barve, Head of the Marathi Department, L.S.H. College, Dodamarg. This session was followed by the Paper Presentation. Dr. M. B. Chougale, Prof. Bhendwade, Prof. Padgaonkar, Dr. Kashinath Chavan, Dr. T. V. Kamble, and Prof. Hrishikesh Patil presented their research papers and answered the questions raised by the participants.

The Session III on the second day of the seminar that is 20th Jan. 2018 was conducted by Dr. Subhash Deo, Former Principal, Gogate-Jogalekar College, Ratnagiri. He primarily emphasized on the structure of NITI Commission and its future. NITI Aayog is an advisory body and plays the role of think-tank for the Government, he stated. The formation of Planning Commission was crucial and it functioned as per socio-economic condition of the country. But in the course of time, its structure became so critical and scope too vast hence, to stop malfunctioning, N.D.A. Government replaced it with the NITI Aayog. NITI Aayog is very new so the time will determine its future. Dr. Tanaji V. Kamble, S.P.K. College, Sawantwadi, and Dr. R. S. Ingale, L.S.H. College, were the chairperson and co-chairperson respectively for the session.

In the fourth session, entitled "NITI Commission and Planning Commission", Dr. Geetanjali Acharekar, Associate Professor, Department of Economics, G.V.M. College, Farmagudi, Ponda (Goa) addressed the participants. She unfolded the actual difference between both the commissions. This session was chaired by Prof. M. N. Walawalkar, Gogate-Walke College, Banda and co-chaired by Mr. R. A. More, L.S.H. College, Dodamarg.

For the last session, namely "NITI Commission and G.S.T.", C.A. Sudhir Naik, Sawantwadi was the resource person. He thoroughly explained the perspective plans of NITI Commission for G.S.T. This session became much interactive as G.S.T. is the topic of everyday discussion. Prin. Dr. S. B. Mandle, S.K.P.S. College, Malvan was the chairperson and Dr. P. D. Gathade, L.S.H. College, Dodamarg was the co-chairperson of the session.

In the post lunch session Dr. M. R. Khot, Prof. B. H. Chaugule, Prof. Neelam Dhuri, Prof. Purshottam Sawant, and Miss Priya Pandharpatte presented their papers.

The valedictory function of the seminar held at 3.00 p.m. Dr. Shripad V. Girsagar, Former Principal, S.K.P.S. College, Malvan was the guest of honour for the valedictory function. In his speech, he demonstrated that NITI Commission is based on percolation theory that is top-

to-down model and has been formulated by the Government with a noble purpose. NITI Commission has brought Government in direct contact with the common people dismantling the unnecessary layers in the system. Hence, common people too have to work for its betterment. For that people have to inculcate moral values in them. Prin. Dr. V. A. Patil was on the president's seat for this function. From participants' part Dr. M. B. Chougale expressed his views regarding the success of the seminar. Prof. S. S. Padgaonkar proposed a vote of thanks at this moment.

The selection of the theme of the seminar was admired by the participants. More than 100 participants took advantage of the said seminar.
