ABOUT SANSTHA-

Navnirman Shikshan Sanstha has been established with a noble cause of imparting higher education among the youth of Konkan region and with a strong belief of serving the society and improving the quality of life of the rural youth in particular. The Sanstha plans to open a chain of centers of higher learning through Maharashtra state especially for the benefit & upliftment of the under privileged class of the society. The idea developed as a result of the factual data gathered by the office bearers of This Sanstha during the various types of constructive work in the educational field done by them for the social organization called "Rashtra Seva Dal" a movement dedicated to the cause of social and educational problems faced by the citizens, students especially those belonging to the lower strata of society. Apart from the above most of the office bearers of the Sanstha have long association with this social movement. The Sanstha has its educational centers at Ratnagiri, Dodamarg and Sangmeshwar.

ABOUT DODAMARG-

Dodamarg is newly formed tehsil place of Sindhudurg district in 1999 and locates in the lap of Western Ghats and touches the borders of Goa and Karnataka states. Dodamarg is basically a hilly region broken by valleys and surrounded by mountains. Dodamarg had played a significant role in Goa Freedom Movement. It was the Centre of traders during Portuguese reign in Goa. Dodamarg is too close to Goa as it is divided into two different villages by the border of the states. It is also famous as "*hattinche gaon*" (Village of Elephants) in Maharashtra .

Subject: Request to join the Karo Sambhav Bulk Consumer e-waste Awareness Programme

Greetings!

Dear Sir,

Rapidly evolving technology along with its benefits has resulted in a significant rise in old and unusable electronics. India generates more than 2 million tonnes of e-waste per annum. Less than 2% of this gets recycled responsibly, resulting in serious health and environment hazards.

Karo Sambhav is one of India's first authorised E-Waste Producer Responsibility Organisation and also the first in Asia to become a member of Waste Electrical and Electronic Equipment (WEEE) Forum.

We are organising an informative and engaging e-waste awareness drive for Bulk Consumers of electronics/ IT products which is FREE of cost.

We would be pleased to invite your college to participate in our Bulk Consumer Awareness Programme which is also supported by the Ministry of Electronics and IT (MeitY).

Joining this campaign will not only help you position your college as a responsible residential consumer but will also help in spreading the message of responsible e-waste management among your staff and students.

This programme is for a maximum of 45 minutes.

Appreciate your cooperation to conduct this programme in your college premises and looking forward to a confirmed date.

With Warm Regards,

Suraj Shetkar - 8888801551
