## Activity Report of the One-Day National Webinar

### “Exploring the New Avenues: English Literature in Transit”

The webinar began at 10.35 a.m. Dr. S. N. Jadhav, Head, Department of English, prefaced the webinar. He put forth the idea behind the selection of the topic of the webinar namely “Exploring the New Avenues: English Literature in Transit” in front of the participants. He stated at many places, in many curricula, English literature is still confined to the canonical texts and canonical authors. Research in English literature still revolves around the canonical texts. This eventually brings redundancy in curriculum and research. As teachers, they have to explore the new literatures and bring them in front of the students. The present era is the period of technological advancement and development of social media. It goes along with socio-political and cross-cultural issues, political, racial, and religious unrest, gender issues, environment issues, psychological issues, inadequate national and transnational policies of the government, increasing unemployment and so on. All these factors find their reflections in literature. Literature consistently changes in its form, subject and style in the course of time, and teachers as academicians have to explore these avenues. Going beyond the thematic concerns, they should explore the interdisciplinary relevance of literature.

Dr. S. U. Darekar, I/C Principal of the college, welcomed all the dignitaries and participants. He explained how the institution functions effectively by overcoming the adversities and remoteness of Dodamarg tehsil.

Shri. Abhijit Hegshetye, Chairman of Navnirman Shikshan Sanstha, formally inaugurated the webinar. He explained the vision and objectives of the Sanstha and congratulated the organizers for selecting such an important topic for the webinar. With his best wishes, he summed up his inaugural speech.

Dr. B. N. Gaikwad, Offg. Registrar of University of Mumbai, was the guest of honour for this webinar. He described how writers are coming up with new ideas and themes in the present age. He also shared his personal experiences with the participants regarding the new literatures.

Dr. Shashikant Mhalunkar, PG Department of English, B.N.N. College, Bhiwandi was the resource person and he conducted the plenary session. In his lecture, he truly explored the new avenues in English literature bypassing the canonical authors and canonical texts. His

sole focus was on fiction as poetry and drama need extra creative efforts; hence they are less practiced. He dealt with Crunch Fiction, Lab-Lit, Transgressive Fiction, Specisism, Queer Fiction, Prakalpna in Indian English Literature, ..... He truly satisfied the expectations of the participants and made the webinar an intellectual feast for everyone.

Mr. Ramkisan More, I.Q.A.C. Coordinator of the college, proposed a vote of thanks. He extended his sincere thanks and gratitude towards, Shri. Abhijit Hegshetye, Inaugurator of the webinar, Dr. B. N. Gaikwad, the guest of honour, Dr. Shashikant Mhalunkar, the resource person, Dr. S. U. Darekar, I/C Principal, Capt. Krishnamurthy Iyer, Principal of Tolani Maritime Institute, Prof. Rahul Kale, Tolani Maritime Institute, teaching and nonteaching staff of the college and all the participants.

The feedback was sought from all the participants and they were provided certificates of participation.

## Short summary of GIS Workshop

A one-day online workshop was organized by the Geography Department of Laxmibai Sitaram Halbe College. The main purpose of this was to find employment opportunities in GIS and GPS and to inform the students about the advanced technology of the modern age. Accordingly, Prof. Dr. Anil Edge from Parvatibai Chowgule College, Goa provided guidance on Introduction to Geographic Information System. On the subject of Principles of Remote Sensing and its application in Geography, Prof. Dr. Sagar Mali from Vidya Prabodhini College Parwari Goa gave guidance. The workshop was inaugurated on April 3, 2019 at 10 am by the Chairman of the Institute, Abhijeet Hegshetye. 71 students and professors participated in the workshop.

This computer based system has helped in sustainable development. This type of modern technology allows you to get the information you need in remote mountainous areas in a matter of seconds. Areas that you cannot reach. The area can be studied by this device. There are two types of remote sensing aerial photography and satellite photography. The information obtained by remote sensing can be analyzed by computer. Weather can be predicted. The tradition of using this technique in science is very old. The use of satellites has revolutionized the field. Natural cultural features can be studied.

GIS technology has been used since 1962. Canadian geographers invented this information system. The system was used extensively by US military officers. This technique was previously used to monitor their movements. After 1980, this information animal has been used for the growth and development of the industry. Today, this sector has become a source of employment and employment for many. Geographic information systems allow you to view information from nature and from different areas through maps in different ways. For example, cropping patterns, water use, issue population distribution, population density, it has become easier to compile, organize, by GIS. In addition, this information can be distributed worldwide through the Internet. The use of air, land, water, biodiversity can be easily explained. A variety of models can be made by GIC. Due to the use of technology in it, forest area can be identified. Glacier area can be increased according to the season. Deforestation Problems such as deforestation over the years and solutions can be studied.

विषय बहुत ही सटीक और प्रासंगिक था।

आज का एक दिवसीय बेबीनार जो स्त्रीवादी साहित्य में संवेदना के नये नये आयामों से संबंधित है। आज के युग में महिलाओं का लेखन साहित्य के क्षेत्र में अपूर्व योगदान है। जितना महिलाएं समाज की भावनाओं और संवेदनाओं को समझ सकती हैं, उतना शायद ही कोई मानव मन की चेष्टाओं को समझ सके। धन्यवाद

विषय समसामयिक व संवेदनशील था। सबके व्याख्यान अच्छे लगे। स्त्री साहित्य और संवेदना की चर्चा करते हुए स्त्री दृष्टिकोण का न होना थोड़ा खला!  
कुल मिलाकर प्रासंगिक विषय एवं अच्छी प्रस्तुति! 🙏

विषय बहुत ही सटीक और प्रासंगिक था।

आज का एक दिवसीय बेबीनार जो स्त्रीवादी साहित्य में संवेदना के नये नये आयामो से संबंधित है। आज के युग मे महिलाओ का लेखन साहित्य के क्षेत्र में अपूर्व योगदान है। जितना महिलाएं समाज की भावनाओं और संवेदनाओ को समझ सकती है, उतना शायद ही कोई मानव मन की चेष्टाओं को समझ सके। धन्यवाद
