**Activity Report**

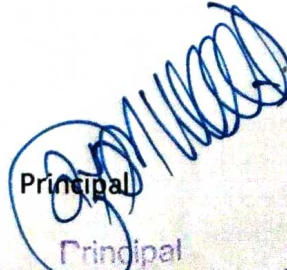

**2020-21**

Title of the Activity	:	Tree Plantation
Date of the activity	:	15/08/2020
Brief Description	:	Green plants in forests give us oxygen and absorb toxic gases like carbon dioxide from the atmosphere. It maintains the balance of the environment. The life of all beings becomes happy-prosperous and healthy. So everyone should conserve forests and plant new trees. Various programs are organized every year by the NSS department of the college to create public awareness in this regard. But this year due to the lockdown due to the infectious disease Kovid-19, there were some restrictions to hold the program. Therefore, following the rules, Principal Dr. S.U. Darekar planted 10 trees in the college premises. Also, students should plant trees in their home area, according to this appeal, photos of students planting trees were released on the WhatsApp group nss.
