

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution.

Response:

Our governance body is so reflective and the prime focus is on the vision and mission of the institution.

Vision:-

To work for "Better Tomorrow" through educational advancement of society while keeping social justice and social obligation in mind

Mission:-

We strive to cultivate minds and build characters of the young generations by imbuing in them scientific temperament, organizational abilities and human values.

Objectives:-

- 1) To promote girls for higher education and bring them into the mainstream of education.
- 2) To ensure higher education to rural downtrodden and socio economically backward class students.
- 3) To empower student to become able, responsible citizens by imparting quality education and inculcating sound values.
- 4) To provide opportunities to students and make them competent to face challenges of the competitive world and to utilize their potential.
- 5) To approach the community, serve it for its betterment, educate and conserve their culture.
- 6) To create awareness in students and community, for the sustainable development of environment.
- 7) To inculcate values amongst students and make them recognize their duties in the development of society and nation.
- 8) To cherish the virtues of dignity of labor and self-help through extracurricular and co-curricular activities.

The vision and mission of the institution are defined and they give importance to produce responsible citizens of the nation.

The institution has a policy making Governing Body. The institution follows a democratic and participatory mode of governance with all stakeholders participating actively in its administration. The governing body prepares the short-term and long-term perspective plans of the institution integrating the departmental plans, findings of SWOC analysis, and

recommendations of College Development Committee (CDC) and other stakeholders. Internal Quality Assurance Cell (I.Q.A.C.) of the institution performs a pivotal role in the quality enhancement process. It regularly conducts meetings and obtains suggestions on quality initiatives in the college. They are discussed in the IQAC meetings. After the discussion with the Principal, the issues are put in the CDC meetings. Major decisions like sanction of budget, commencement of short term certificate courses, implementation and accountability of the teaching-learning process, organization of seminars, conferences and workshops etc. are taken by CDC. Some issues about the institution, after discussing in the CDC meetings, are forwarded to the Governing Body to be discussed in its meetings. The Principal implements the policy decisions taken by the CDC and Governing Body.

Teachers' participation in Decision Making:

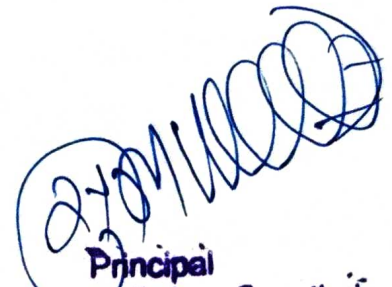

The representatives of teaching and nonteaching faculty are the members of IQAC and CDC. They provide suggestions on quality initiatives and partake into the planning and decision making process.

Student Participation in Decision Making:-

Student representatives are the members of IQAC and other functional committees like NSS, DLLE, Cultural, Sports etc. They participate in decision making as well as in organizing various events.

Alumni participation in administration:-

The college has a registered Alumni Association. Alumni have representation in IQAC and CDC committees. Through these committees, Alumni put forth their suggestions in the development of the institution.
