Activity Report
Faculty Development Program for Non- teaching Staff
2021-22

Title of the Activity	:	Five Days Workshop on Stress Management
Date of the activity	:	26-10-2021 to 30-10-2021
Brief Description	:	Preventing and managing long-term stress can lower your risk for other conditions - like heart disease, obesity, high blood pressure, and depression. You can prevent or reduce stress by: Planning ahead. Deciding which tasks to do first Research shows that positive stress can strengthen the immune system, enhance memory and learning, and improve decision-making skills. Relaxation techniques such as yoga, meditation, and deep breathing activate the body's relaxation response, a state of restfulness that is the opposite of the fight or flight or mobilization stress response. Dr. Shrivadan Aroskar delivered talk on how to live stress free life.
