## POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE

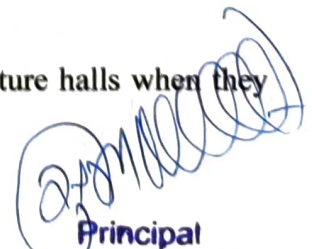

Navnirman Shikshan Sanstha's Laxmibai Sitaram Halbe College of Arts, Commerce and Science, Dodamarg is committed to manage energy in such a systematic way so as to minimize its impact on the environment. The policy suggests exploring renewable energy resources to reduce the burden on the Government and to find out alternative natural resources as a solution on energy crisis.

This environment and energy policy is binding on all elements of the organization and applies to all its stakeholders and various activities undertaken by the organization. It will help us to create efficiency and environmental awareness in our daily activities, thus helping us realize our responsibilities and commitment towards environment conservation and limiting its uses. Nature Club, NSS, DLLE, NCC and Department of Geography regularly organize lectures, drives, rallies, campaigns, and nature trails for creating awareness for energy and environment conservation among the students and other stakeholders.

### Policies:

- To assess our energy usage and measure its impact on the environment.
- To install solar panels for the generation of alternate energy.
- Turn off your monitor when you leave your table. Whenever possible, shut down rather than logging off.
- Turn off unnecessary lights and use daylight instead.
- Use LED or compact fluorescent bulbs as much as possible.
- Switch off lights, fans in conference rooms, classrooms, and lecture halls when they are not in use. Avoid the use of decorative lighting.

- Use the fans only when they are needed.
- To reduce local air pollution emission using bicycles, public transportation and use of pedestrian – friendly roads.
- To undertake tree plantation drives.
- To collaborate with external agencies to conduct environment and energy conservation activities.
- To monitor and respond to emerging environmental and energy issues.
- To strengthen our employees' and students' environmental knowledge and skills in order to improve our own environmental performance
- To provide information and training opportunities on energy saving measures.
- To offer opportunities for employees and students to engage in initiatives which contribute to environmental protection
- To develop waste management mechanism.

This policy will be communicated to the students and employees via internal communication channels. The environment and energy policies and objectives will be reviewed on a regular basis by the principal.
